Deep Learning for Geometric Computing

ICCV 2021 Workshop and Challenge

Best Student Paper Certificate

Andrea Alfieri, Yancong Lin, *and* ***Jan C van Gemert***

This Best Student Paper Certificate is presented to you for your outstanding paper titled

Investigating Transformers in the Decomposition of Polygonal Shapes as Point Collections

presented at the Third Workshop on Deep Learning for Geometric Computing (DLGC) at International Conference on Computer Vision (ICCV)

October 16th, 2021

Ilke Demir
On behalf of the Third DLGC
Workshop Organizing Committee
